Exceptional Experience

Enjoy an easy and relaxing pool cleaning experience

All swim, no work? Sounds perfect! Let the smart featured S Series make your pool shine. With an impressive range of benefits and features, it is no wonder these cleaners are in high demand.

Leave it all to a Dolphin cleaner, and enjoy:

Effortless operation

- Top-access filtration system – easy to remove and clean
- Lightweight easy to handle and store
- Fast, debris-free water release – easy to remove from pool

Crystal-clear cleaning results

- Active brushing action, scrub away dirt and debris
- Effective, easy-to-use fine filtration system
- Efficient dirt collection - Collects fine and rough debris

Peace of mind

- Proven reliability – made by Maytronics, the leader in robotic pool cleaners
- Certified ISO9001 quality standard

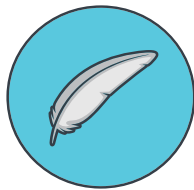

Standard features across the range:

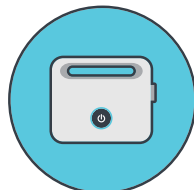

Active Brushing - effective scrubbing and cleaning

Fast debris-free water release

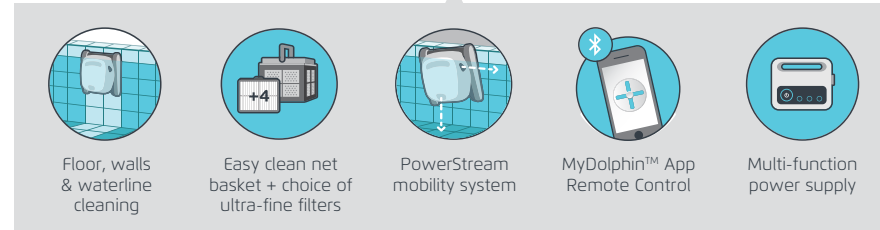

Lightweight

Energy Saving Power Pack

Dolphin S300

With its ultra-light weight and quick water release, Dolphin S300 is super-easy to handle. Choose between two filtration options to capture rough debris or fine dirt. The dual active brushing action and PowerStream Mobility System ensure efficient pool coverage, with extra-thorough scrubbing on all surfaces - leaving the floor, walls and waterline spotlessly clean.

S Series

S300

Dolphin S100

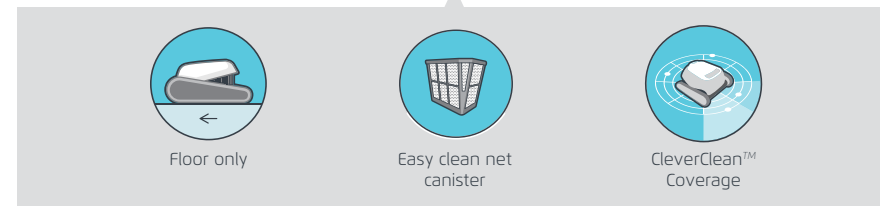

Experience superior pool cleaning with this advanced new robot. Its ultralight weight and quick water release, make the Dolphin S100 super-easy to handle. The active brushing action ensures extra-thorough scrubbing on all surfaces - leaving the floor and walls spotlessly clean.

S100

Dolphin S50

The Dolphin S50 is a lightweight, compact robotic pool cleaner that expertly cleans your pool floor. With its quick water release and easy to use top-access filter system, you'll find the S50 is the simple answer your pool cleaning needs.
